

4. Grantee is hereby authorized, in case any portion of said Street or Road shall be obstructed or the surface or pavement thereof shall be out of repair so that the operation of motor busses thereover shall be impracticable, to operate temporarily over any other route or street available for use between the points above set forth, until the main route as above designated shall be repaired and in condition for service.

5. Grantee shall comply with all rules and regulations of the Illinois Commerce Commission governing the operation of motor busses for hire, or of any other state or municipal body duly empowered by law to regulate the same, and also agrees to comply with all laws and ordinances of the Village in effect from time to time.

6. The rights and privileges herein granted shall extend for and during a period of Five (5) years from and after the date hereof, whereupon the same shall cease and be at an end.

7. Nothing herein contained shall be construed as limiting the exercise of the police powers of the Village in the ordinary control and supervision of its streets and roadways.

8. Motor busses shall be operated by Grantee, along the route hereinbefore specified, in such manner and according to such schedule as will enable interchange of passengers and property to be conveniently made at the north corporate limits of the Village. Rates of fare shall be reasonable and subject to the approval and control of the Illinois Commerce Commission, or its successors, as may be provided by law.

9. This ordinance shall be effective upon Grantee filing its acceptance thereof in writing on or before thirty days from and after its passage and approval, but such acceptance, when filed, and all agreements herein with reference to removal of tracks and operation of bus service are understood to be subject to consent and jurisdiction of Illinois Commerce Commission.
