WHEREAS, the aforesaid Act requires that the Village Board of the Village of South Jacksonville, Illinois investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said Village of South Jacksonville employed in performing construction of public works for said Village.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of South Jacksonville, Illinois:

SECTION 1. To the extent and as required by "An Act regulating wages of laborers, mechanics and other works employed in any public works by State, county, city or any public body or any political subdivision or by anyone under contract for public works", approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the Village is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Morgan County area as determined by the Department of Labor of the State of Illinois as of June of the current year, a copy of that determination being attached hereto and incorporated herein by reference. SECTION 3. The Village Clerk shall publicly post or keep available for inspection by any interested party in the main office of the Village this determination or any revisions of such prevailing rate of wages. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.
